

ERPsim Financial Account List

The tables below list all the ERPsim financial account names, their description, and the actions that students or the simulator and/or administrator can take to debit or credit the account.

Account Number	Account Name	Description	Students	Simulator and/or Administrator
0000113300	Bank Cash Account	The company's current liquidity. Used by businesses to manage daily cash transactions, including deposits, withdrawals, and operational expenses.	Depending on the game, students may credit this account to invest in other accounts.	Simulator's starting scripts will post in this account. Simulator will credit this account every 5 virtual days to pay back the company's operational and interest expenses. Simulator will credit this account every 20 virtual days to pay back their suppliers. Simulator will debit this account when the company received their sales revenues from their customers. Simulator will debit this account when generating automatic bank loan if the cash account is in the negative.
0000140000	Customers - Domestic Receivables	Money owed to the company by its customers for goods delivered but not yet paid for.	N/A	Simulator will post in this account when generating sales and when receiving the customers' payments.
0000300000	Raw materials	Valuation of the raw materials currently in the company's possession.	N/A	Simulator will post in this account when the company receives raw materials from suppliers or consume these raw materials to produce finished goods. Administrators can post in this account when using the transaction ZSCRAP.
0000792000	Finished goods	Valuation of the finished goods currently in the company's possession.	N/A	Simulator will post in this account when the company produces finished goods. Administrators can post in this account when using the transaction ZSCRAP.
0000001000	Land	Valuation of the land owned by the company.	N/A	Simulator's starting scripts will post in this account.
0000002000	Buildings	Valuation of the buildings owned by the company.	N/A	Simulator's starting scripts will post in this account.
0000002010	Accumulated Depreciation - Buildings	Total amount of depreciation expense that has been recorded against the buildings asset since its purchase.	N/A	Simulator will post in this account after posting the "Depreciation - buildings" overheads.
0000011000	Machinery and equipment	Valuation of the machinery and equipment owned by the company.	Depending on the game, students may invest to increase this account.	Simulator's starting scripts will post in this account.
0000011010	Accumulated depreciation - machinery and equipment	Total amount of depreciation expense that has been recorded against the machinery and equipment asset since its purchase.	N/A	Simulator will post in this account after posting the "Depreciation - machinery and equipment" overheads.
0000113101	Bank Loan	Amount of money borrowed from a bank that must be repaid with interest.	Depending on the game, students may pay back their bank loan.	Simulator's starting scripts may post in this account. Furthermore, the simulator will automatically increase a company's bank loan if the company's bank cash account is negative. Administrators can post in this account when using the transaction ZLOAN.

Account Number	Account Name	Description	Students	Simulator and/or Administrator
0000160000	Accounts payable- domestic	Money owed by the company by its suppliers for goods received but not yet paid for.	N/A	Simulator will post in this account when ordering products from suppliers and when the company has to pay the suppliers.
0000191100	GR/IR Clearing - External procurement	Temporary holding account used to record the goods receipt (GR) and invoice receipt (IR) transactions until they are fully matched and cleared.	N/A	Simulator will post in this account when receiving goods from a supplier.
0000192100	Freight clearing (MM)	Temporarily records freight costs during goods receipt until the freight invoice is verified and cleared.	N/A	Simulator will post in this account when receiving goods from a supplier.
0000070000	Common stock	Equity capital raised by the company through the issuance of shares.	N/A	Simulator's starting scripts will post in this account.
0000800000	Sales revenues - domestic	Income generated from selling goods within the company's home country.	N/A	Simulator will post in this account the daily total income generated from selling goods sales.
0000400020	Raw mat.consumed/trading goods without cost center	Expense incurred from using raw materials or trading goods in sales.	N/A	Simulator will post in this account the daily total cost of the consumption of raw material or trading goods used in sales.
0000680000	Operation Carbon Emissions	Costs associated with carbon emissions generated by the company's day-to-day operational activities, such as goods movements and production.	N/A	Simulator will post in this account when there's operational carbon emissions. The posting frequency is controlled in ZCONTROL.
0000893010	Total fin.prod. sold	Total revenue earned from the sale of all finished goods.	N/A	Simulator will post daily in this account the total revenue earned from the sale of all finished goods.
0000400000	Consumption Raw Materials	Expense incurred from using raw materials in the production of finished goods.	N/A	Simulator will post in this account when the company uses raw materials to produce their finished goods.
0000400001	Scrap external material	Costs associated with disposing of unusable raw materials or trading products.	N/A	Administrators can post in this account when using the transaction ZSCRAP.
0000890001	Inventory change-own materials scrapped	Costs associated with disposing of unusable finished goods.	N/A	Administrators can post in this account when using the transaction ZSCRAP.
0000895000	Total Finished Products Produced	Total cost of manufacturing all completed finished goods.	N/A	Simulator will post daily in this account the total cost of all finished products produced.
0000211120	Depreciation-buildings	Expense allocated for the wear and tear, deterioration, or obsolescence of buildings owned by the company.	N/A	Like all overheads, the simulator will post in this account every 5 virtual days.
0000211130	Depreciation - machinery and equipment	Expense allocated for the wear and tear, deterioration, or obsolescence of machinery and equipment owned by the company.	N/A	Like all overheads, the simulator will post in this account every 5 virtual days.

Account Number	Account Name	Description	Students	Simulator and/or Administrator
0000472000	Shipping costs	Cost incurred for handling and shipping goods between warehouses owned by the company.	N/A	Simulator will post in this account when a delivery between warehouses occurs.
0000478100	Warehousing Costs	Expenses incurred for storing goods in additional warehousing units when the regular warehousing capacity is exceeded.	N/A	Depending on the game, the simulator will post in this account when the warehousing capacity is exceeded.
0000500000	Direct labor costs	Wages and benefits paid to employees directly involved in the production of finished goods.	N/A	Like all overheads, the simulator will post in this account every 5 virtual days.
0000510000	Factory Overhead Expenses	Indirect costs associated with manufacturing, such as utilities, maintenance, and factory supplies.	N/A	Like all overheads, the simulator will post in this account every 5 virtual days.
0000530000	Overhead Carbon Emissions	Costs associated with carbon emissions produced by indirect manufacturing activities.	N/A	Simulator will post in this account when there's overhead carbon emissions. The posting frequency is controlled in ZCONTROL.
0000540000	Warehousing Carbon Emissions	Costs associated with carbon emissions produced by storing goods in additional warehousing units when the regular warehousing capacity is exceeded.	N/A	Depending on the game, the simulator will post in this account when the warehousing capacity is exceeded and there are additional carbon emissions.
0000550000	Purchased Energy Carbon Emissions	Costs associated with carbon emissions resulting from energy purchased and consumed by the company.	N/A	Simulator will post in this account when there's overhead carbon emissions. The posting frequency is controlled in ZCONTROL.
0000560000	Outbound Deliveries	Cost incurred for handling and shipping goods to the customers.	N/A	Simulator will post in this account when an outbound delivery to customers occurs.
0000670000	Investments Carbon Emissions	Costs associated with carbon emissions resulting from investments in capacity improvement, setup time reduction, freight fleet improvements, and sustainable manufacturing.	Depending on the game, students may debit this account to when making investments.	N/A
0000011098	Freight Fleet Efficiency Improvements	Expenses incurred while investing in enhancing the fuel efficiency and reducing the carbon footprint of the company's transportation fleet.	Depending on the game, students may debit this account to make sustainable investments.	N/A
0000770001	Expenses for report ZMB52	Consulting expenses for the development of the report ZMB52.	Depending on the game, students may debit this account to unlock a report.	N/A
0000770002	Expenses for report ZME2N	Consulting expenses for the development of the report ZME2N.	Depending on the game, students may debit this account to unlock a report.	N/A
0000770003	Expenses for report ZVC2	Consulting expenses for the development of the report ZVC2.	Depending on the game, students may debit this account to unlock a report.	N/A
0000770004	Expenses for report ZVA05	Consulting expenses for the development of the report ZVA05.	Depending on the game, students may debit this account to unlock a report.	N/A

Account Number	Account Name	Description	Students	Simulator and/or Administrator
0000770006	Expenses for report ZCOOIS	Consulting expenses for the development of the report ZCOOIS.	Depending on the game, students may debit this account to unlock a report.	N/A
0000770007	Expenses for report ZCK11	Consulting expenses for the development of the report ZCK11.	Depending on the game, students may debit this account to unlock a report.	N/A
0000770008	Expenses for report ZFF7B	Consulting expenses for the development of the report ZFF7B.	Depending on the game, students may debit this account to unlock a report.	N/A
0000770009	Expenses for report ZMARKET	Consulting expenses for the development of the report ZMARKET.	Depending on the game, students may debit this account to unlock a report.	N/A
0000770010	Expenses for report ZME13	Consulting expenses for the development of the report ZME13.	Depending on the game, students may debit this account to unlock a report.	N/A
0000770011	Expenses for report ZVAL	Consulting expenses for the development of the report ZVAL.	Depending on the game, students may debit this account to unlock a report.	N/A
0000770012	Expenses for SSB report Company Valuation	Consulting expenses for the development of the KPI tile Company Valuation.	Depending on the game, students may debit this account to unlock a Fiori tile.	N/A
0000770013	Expenses for SSB report Carbon - Operations	Consulting expenses for the development of the KPI tile Carbon - Operations.	Depending on the game, students may debit this account to unlock a Fiori tile.	N/A
0000770014	Expenses for SSB report Carbon - Postings	Consulting expenses for the development of the KPI tile Carbon - Postings.	Depending on the game, students may debit this account to unlock a Fiori tile.	N/A
0000770015	Expenses for SSB report Purchase Orders	Consulting expenses for the development of the KPI tile Purchase Orders.	Depending on the game, students may debit this account to unlock a Fiori tile.	N/A
0000770016	Expenses for SSB report Stock Transfers	Consulting expenses for the development of the KPI tile Stock Transfers.	Depending on the game, students may debit this account to unlock a Fiori tile.	N/A
0000770017	Expenses for SSB report Sales Orders	Consulting expenses for the development of the KPI tile Sales Orders.	Depending on the game, students may debit this account to unlock a Fiori tile.	N/A
0000770018	Expenses for SSB report Production Orders	Consulting expenses for the development of the KPI tile Production Orders.	Depending on the game, students may debit this account to unlock a Fiori tile.	N/A
0000520000	Sales, General and Administrative Expenses	Indirect costs associated with managing and supporting a company's overall operations, including administrative salaries, office supplies, and utilities.	N/A	Like all overheads, the simulator will post in this account every 5 virtual days.
0000011099	Sustainable Manufacturing Expenses	Expenses incurred while investing in enhancing the energy efficiency and reducing the carbon footprint of the company's machinery.	Depending on the game, students may debit this account to make sustainable investments.	N/A
0000478000	Lean Manufacturing Program Expenses	Consulting expenses for lean manufacturing consultants when investing to reduce the setup time.	Depending on the game, students may debit this account to reduce setup time.	N/A
0000477001	Advertising North-01	Marketing expenses for the first product of smaller size (F01 or S01) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477002	Advertising South-01	Marketing expenses for the first product of smaller size (F01 or S01) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.

Account Number	Account Name	Description	Students	Simulator and/or Administrator
0000477003	Advertising West-01	Marketing expenses for the first product of smaller size (F01 or S01) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477004	Advertising North-02	Marketing expenses for the second product of smaller size (F02 or S02) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477005	Advertising South-02	Marketing expenses for the second product of smaller size (F02 or S02) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477006	Advertising West-02	Marketing expenses for the second product of smaller size (F02 or S02) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477007	Advertising North-03	Marketing expenses for the third product of smaller size (F03 or S03) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477008	Advertising South-03	Marketing expenses for the third product of smaller size (F03 or S03) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477009	Advertising West-03	Marketing expenses for the third product of smaller size (F03 or S03) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477010	Advertising North-04	Marketing expenses for the forth product of smaller size (F04 or S04) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477011	Advertising South-04	Marketing expenses for the forth product of smaller size (F04 or S04) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477012	Advertising West-04	Marketing expenses for the forth product of smaller size (F04 or S04) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477013	Advertising North-05	Marketing expenses for the fifth product of smaller size (F05) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477014	Advertising South-05	Marketing expenses for the fifth product of smaller size (F05) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477015	Advertising West-05	Marketing expenses for the fifth product of smaller size (F05) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477016	Advertising North-06	Marketing expenses for the sixth product of smaller size (F06) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477017	Advertising South-06	Marketing expenses for the sixth product of smaller size (F06) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477018	Advertising West-06	Marketing expenses for the sixth product of smaller size (F06) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477019	Advertising North-11	Marketing expenses for the first product of larger size (F11 or S11) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477020	Advertising South-11	Marketing expenses for the first product of larger size (F11 or S11) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477021	Advertising West-11	Marketing expenses for the first product of larger size (F11 or S11) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.

Account Number	Account Name	Description	Students	Simulator and/or Administrator
0000477022	Advertising North-12	Marketing expenses for the second product of larger size (F12 or S12) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477023	Advertising South-12	Marketing expenses for the second product of larger size (F12 or S12) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477024	Advertising West-12	Marketing expenses for the second product of larger size (F12 or S12) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477025	Advertising North-13	Marketing expenses for the third product of larger size (F13 or S13) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477026	Advertising South-13	Marketing expenses for the third product of larger size (F13 or S13) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477027	Advertising West-13	Marketing expenses for the third product of larger size (F13 or S13) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477028	Advertising North-14	Marketing expenses for the forth product of larger size (F14 or S14) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477029	Advertising South-14	Marketing expenses for the forth product of larger size (F14 or S14) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477030	Advertising West-14	Marketing expenses for the forth product of larger size (F14 or S14) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477031	Advertising North-15	Marketing expenses for the fifth product of larger size (F15) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477032	Advertising South-15	Marketing expenses for the fifth product of larger size (F15) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477033	Advertising West-15	Marketing expenses for the fifth product of larger size (F15) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477034	Advertising North-16	Marketing expenses for the sixth product of larger size (F16) in the north area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477035	Advertising South-16	Marketing expenses for the sixth product of larger size (F16) in the south area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000477036	Advertising West-16	Marketing expenses for the sixth product of larger size (F16) in the west area.	N/A	Depending on the game, the simulator will post daily depending on the students' decision in transaction ZADS.
0000476900	Interest expenses	Expense incurred by a company for paying the interest of the bank loan.	N/A	Simulator will post in this account every 5 virtual days.

The tables provided below contain a comprehensive list of ERPsim financial accounts, along with the type of financial statements they are featured in, and the games to which they apply.
